BEFORE YOU BEGIN WITH REALME

1. If you have a RealMe account already, even if you have used it for personal reasons (like getting a new passport), you will need your details handy.
2. Please have the mobile number that you provided to the State Services Commission handy before you click the link in the invitation email.
3. You start the registration process by clicking on the unique link in the invitation email from RealMe.
4. Once you start, you must see the whole process through. Allow 10 minutes to be sure. Otherwise you could lock yourself out before you get in!
5. You will know you are finished because you will be in Talent Exchange!
6. To log back in after registering, please go to www.ssc.govt.nz/talentexchange
