

Note on Consultation and Engagement plans

Core deliverables for a consultation and engagement plan

Initial engagement planning deliverables:

- Discussion document development on proposed themes for the New Zealand forward OGP Action plan
- The development of a consultation instrument with:
 - targeted questions on proposed themes;
 - draft commitment language; and,
 - some open questions to receive further feedback on Action Agenda coverage.

The consultation instrument will facilitate online submission input on the discussion document, and support face to face engagement

- Two (or more) symposium events hosted by schools of government in Wellington and Auckland, with and a regional event in the South Island.
- Engagement with regional interests supported by Local Government New Zealand.
- Preparation of a post consultation draft OGP National Action Plan (cleared by the responsible Minister) for one further round of stakeholder input.
- Consolidation of feedback and revised final National Action Plan prepared for Cabinet approval.
